## MORELLI LANE VINEYARD PINOT NOIR

### TECHNICAL DATA:

T.A.: 0.64 g/100mLs

pH: 3.68

Alcohol: 14.1

### NOTES:

Morelli Lane Vineyard is planted to 3 different Pinot Noir clones 800 – 1,000 feet above sea level just outside of Occidental.

This extraordinary site produces an elegant Pinot Noir with aromas Bing cherries, rhubarb pie, red licorice, peat moss and hints of wild mushrooms.

These wonderful aromas follow onto the palate wrapped in velvet like tannins, balanced acidity and earthy tones. The wine rounds out with flavors of cherries, figs and cocoa powder.
