## Vineyards

This wine is from a single vineyard site grown at a 1,000 ft elevation, just outside the quaint little town of Occidental in the Green Valley area of Russian River Valley.

## Winemaking

This handcrafted wine comes from Dijon and Pommard clones which proved the delicious fruit forward and complex characteristics to this wine. Cold soaked for 5 days and fermented in open top one ton tanks. Aged in 50% new French oak for 11 months.

## Tasting Notes

The Morelli Lane is a well structured, elegant Pinot with superb acidity and refined tannins. Red fruit, peat moss, mushrooms and currants surge from the glass. After your first sip, these flavors develop into what you'd imagine for a traditional Pinot Noir, with a satisfying and memorable finish.
